GOSHENITE

143-06-VB

CORBETT

Celestial meets industrial in the Goshenite family. Domed alabaster diffusers are set like jewels within the architectural Vintage Brass framework. When illuminated, the natural translucency of the alabaster reveals rich veining and tonal variation. Available as a 6-light wall sconce and 9- or 13-light flush mounts, Goshenite provides versatility of use for both walls and ceilings.
