THIBAULT

144-06-VB

CORBETT

Referencing the settings of fine jewelry, the Thibault flush mount features a large natural alabaster dome supported by Vintage Brass clasps. As light diffuses through the alabaster, its natural veining and translucency are revealed to striking effect. Compact in scale, Thibault can be mounted on the wall or ceiling, making an artful statement in its exceptional materiality.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
