SUNSTONE

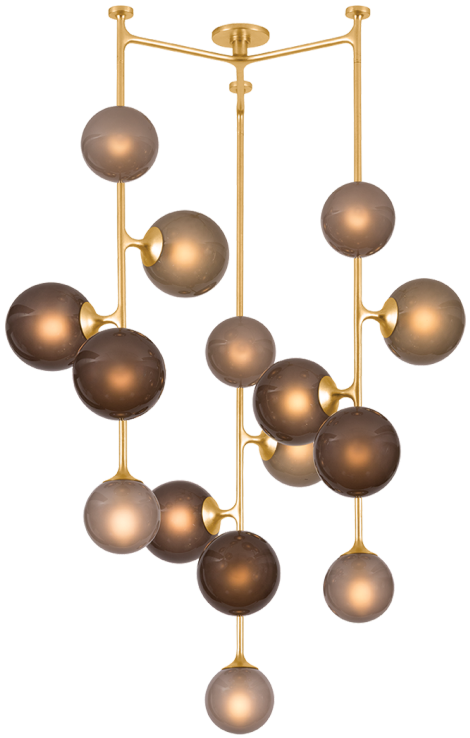

600-42-VGL

CORBETT

Bringing high design playfulness to contemporary interiors, Sunstone reimagines a chandelier as an effervescent composition of luminous glass globes. Suspended at varying heights along an architectural framework finished in Vintage Gold Leaf, the clustered spheres recall the flamboyance of a musical instrument. A curated mix of smoke, bronze, and eggplant glass adds dimension and visual rhythm to this delightful fixture. Available with 15 or 25 lights.
