KITZ

602-35-VGL

CORBETT

Referencing crystalline rock formations and honeycomb structures, the gem-like piastra glass diffusers of Kitz are nestled within a beveled Vintage Gold Leaf frame. Interior etching in the glass provides an organic texture that softly diffuses the light. Available as 6- and 16-light semi-flush mounts and a 13-light linear, this family proves that close-to-ceiling lighting can be every bit as memorable as a chandelier.
