AMON

603-40-VB

CORBETT

A nod to mid-century atomic design, Amon is elevated by jewelry-like detailing. Radiating from a central Vintage Brass dome, slender arms culminate in cabochon-shaped alabaster lenses. As a versatile 6-light sconce, Amon can be installed on either the wall or ceiling, while the 9- and 15-light flush mounts create a dramatic starburst of light overhead.
