

FAR-6000-AG

DESCRIPTION

The Libby Langdon Farris Semi-flush light comprises solid thick glass rods and a sleek metal frame in a Vibrant Gold brushed finish. The open frame at the top and the bottom of the fixture is airy and light, while the generous diameter of the glass rods gives a substantial and luxurious feel. The center rod that holds the four candelabra light sections drops below the lower round frame just enough to add another dimension and visual interest. The soft slope of the top rods that connect to the upper canopy adds ease and elegance to the overall profile of the Farris semi-flush fixture. The Farris collection is a new contemporary take on a classic crystal chandelier.

SPECIFICATIONS

Fixture Dimensions	16.5"W x 10.5"H x 16.5"D
Overall Height	10.5"
Chain/Rod	
Canopy/Backplate Dimensions	6"W x 1"H
Shade Dimensions	
Sloped Ceiling Compatible	No
