HUDSON VALLEY LIGHTING

The elegance of vintage Art Deco style blooms to life in the glamorous Chatton family. Blown from light bronze fluted glass, the tulip-shaped shade provides a delicate companion to the graceful metalwork finished in Aged Brass. Considered details like the graceful gooseneck arm on the sconce, and a large bead-like sphere accent further the botanical motif. Available as a sconce or pendant in two sizes, Chatton brings an area into focus with its whimsical ways.
