

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Place shade (G) onto frame (H). Secure socket assembly (F) to frame (H) with mounting screws (D) as shown and tighten until snug.
4. Screw stem (C) onto the top of socket assembly (F) securely.
5. Screw ceiling canopy assembly (A) into the top of stem (C) securely.
6. Carefully place chains (B) onto the hooks of ceiling canopy assembly (A) and socket assembly (F), securing with finials (E) as shown. Tighten until snug.
7. Refer to the additional installation instructions included with the product for wiring and installation.
8. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
9. Restore power to the installation point and retain this sheet for future reference.
