Sonneman

Ultra-thin and minimally scaled, the Fino™ family is polished everyday lighting at its best. The slender LED tube in each chandelier and sconce emits illumination as a single, uninterrupted line. An attractive and discreet alternative to recessed lighting, the slim profile of Fino™ appears almost weightless. Available in five sizes as a chandelier and a bath and vanity sconce, Fino™ integrates into any design scheme with ease. Finish options vary by fixture and include Polished Chrome, Satin Black, Satin Chrome, and Satin White.
