REALS

Sonneman

Inspired by mid-century modern silhouettes, the REALS family features sleek, sculptural forms that possess a substantial, grounded sense of visual weight. Clean frames and rounded shades create a sense of balance, while the integrated LED is softened by opaque glass. Designed with versatility in mind, this family includes wall sconces, surface mounts, and luminaries. The finish options of Textured Bronze, Textured Gray, and Textured White allow each fixture to be tailored to a space.
